

Content provider best practice

Built Environment Channel is an industry-first digital screen network. Our short form audio free content is curated to blend into our audience's workplaces.

Submission process

Submit your story

Simply fill in the form at becnetwork.com.au/content-request

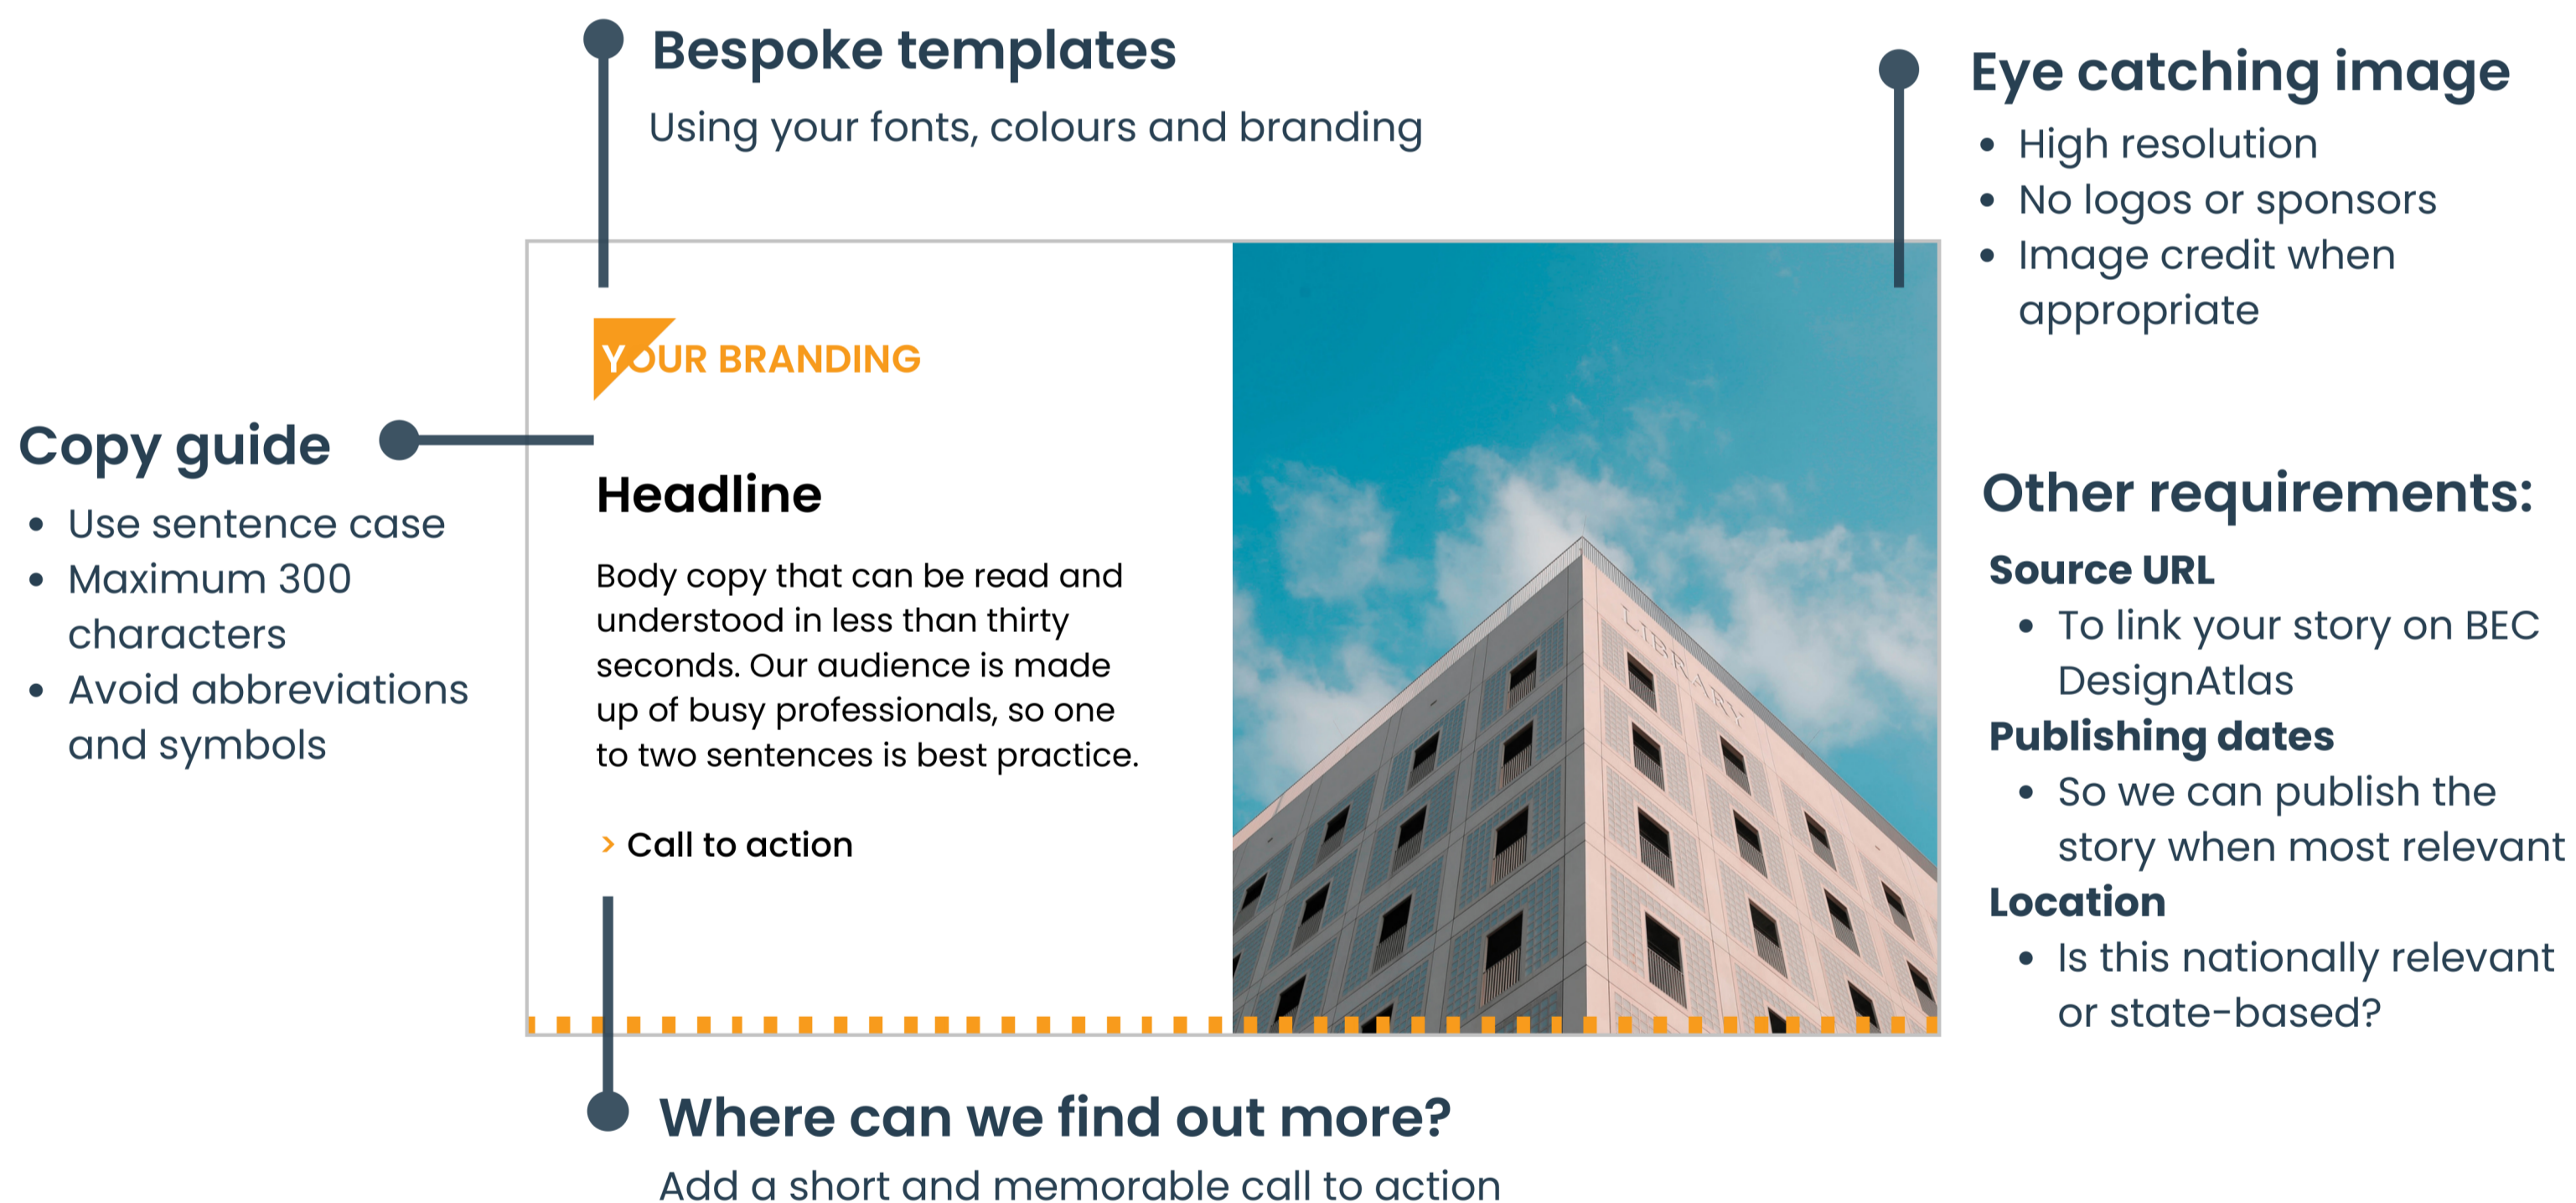

We'll create it for you

Our team will populate your preapproved bespoke templates

Approval and publish

We'll send it back to you for approval. Once approved, we'll publish it.

Content format
